

ASNUNTUCK COMMUNITY COLLEGE

170 Elm Street Enfield, CT 06082

860.253.3180

Fax 860.253.3069

Office of Human Resources

ANTICIPATED POSITION: **Instructor – Mathematics (Pending budget approval)**
(10 Month, Tenure-Track Position)

ANTICIPATED STARTING DATE: August 25, 2016

MINIMUM QUALIFICATIONS: Master's degree in Mathematics or Mathematics Education required. College-level teaching experience and the ability to teach a full spectrum of courses in Mathematics from developmental through calculus level. Demonstrated ability to engage students as active participants in the teaching/learning process. Experience teaching with graphing calculators or the software simulation of them and experience using web-based instructional support systems (e.g., MyMath Lab, WebAssign, ALEKS, etc.). Knowledge of learning outcomes assessment. Active participation and collaborative leadership in professional development activities and familiarity with current trends in Mathematics and Mathematics Education at both the state and national levels. Demonstrated commitment to the community college mission and its diverse student population. Evidence of strong verbal and written communication and interpersonal skills.

Applicants who do not meet the minimum qualifications as stated are encouraged to put in writing precisely how their background and experience have prepared them for the responsibilities of this position and by providing appropriate references.

PREFERRED QUALIFICATIONS: Experience teaching both developmental and credit level Mathematic courses at a community college. Knowledge of placement and assessment practices in Mathematics. Knowledge of current student success initiatives in the discipline. Ability to use technology, experience with online or hybrid courses, and use of web-based instructional support systems. Evidence of a reflective teaching practice. Ability to address the needs of a diverse student body with an array of learning styles. Potential for long term growth both as a teacher and as a creative and collaborative colleague.

RESPONSIBILITIES: Teach 24 credit hours of Mathematics, including both developmental and degree courses. Participate in discipline, department, and college meetings, develop curriculum, and participate in program and NEASC reviews and assessment at the course, program, and graduation levels. Duties may include K-12 collaboration, community outreach, and other service activities consistent with the mission of the college. Assist with interviewing and evaluating adjunct faculty in Mathematics. Provide academic advising and assist in recruitment and retention of students. Perform additional responsibilities in accordance with an approved plan. Serve on college and system wide committees as required

MINIMUM SALARY: \$52,128 approximate annual, plus excellent benefits package.

TO APPLY: Submit cover letter, resume, Board Application (found at www.asnuntuck.edu – Employment tab) and the names of three references to:
